

1RU 24-Port Inline Snap-in-Jack Patch Panels

Datasheet: GD059891v9

APPLICATION

1RU 24-Port Inline Snap-in-Jack Patch Panels (includes Management Bar with each panel) are ideal for quick and simple installation. They can accommodate a variety of jacks, both shielded and unshielded, all of which can be fitted and removed with no need for special tooling. The robust design includes a fully detachable cable manager bar at the rear of the panel.

FEATURES

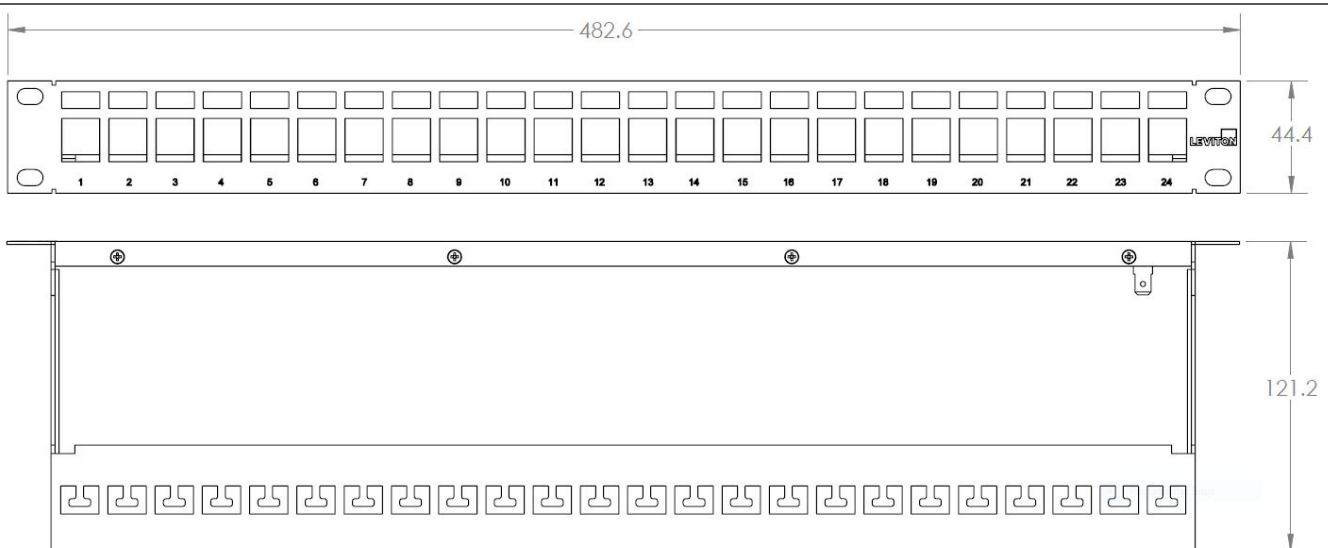

- Pre-assembled detachable manager for enhanced cable management
- Compatible with all standard 19-inch racks and cabinets
- Full port numbering and individual pre-printed port labeling area
- Robust steel construction for superior structural rigidity
- Supplied with ground cable and mounting kit
- Suitable for shielded and unshielded jacks (sold separately)
- Available in black and gray powder coat options

ORDER INFO

Part Number	Item Description	Color	Weight per Item (nom)	Qty per Pack
MMCPNLX24SIJ2MIL	1RU 24-Port Modular Inline Panel with Management Bar	Black	690g	1
MMCPNLX24SIJ8MIL	1RU 24-Port Modular Inline Panel with Management Bar	Gray	690g	1

PHYSICAL CHARACTERISTICS

1RU 24-Port Inline Snap-in-Jack Patch Panels

Datasheet: GD059891v9

MATERIALS

- Powder Coated Plain Carbon Steel

ENVIRONMENTAL CONDITIONS

- Operating temperature from -10°C to 60°C at 93% relative humidity, non-condensing
- Storage temperature from -40°C to 70°C
