

Car Charger | 3.0 A | USB (QC 3.0) / USB-C | Power Delivery 30 W | Black

General information

This Nedis® 30 W USB-C 3.0 Car Charger allows you to charge any USB and USB-C device from your car's power outlet. You can simultaneously charge two devices at high speed while you drive.

The Power Delivery enables compatible USB-C devices to charge faster at higher voltages while the second Quick Charge connection gives full-speed charging for regular USB devices.

Thanks to its small size this is the perfect travel solution for portable charging of smartphones, tablets, Nintendo Switch and many other USB-C or USB devices. It can even power smaller USB-C notebooks.

Features

- 30 W & 18 W charge simultaneous
- PD Power Delivery
- QC3.0
