

HX330

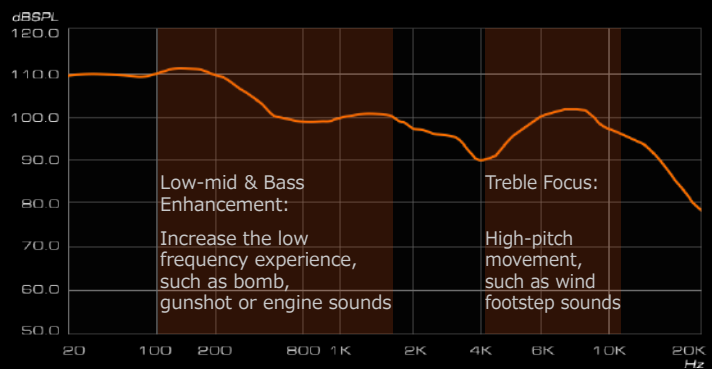

*"Built for gamers,
high audio quality and lightweight comfort."*

Crystal Clear Inputs

With HX330, its large 9.7mm noise cancelling microphone receives a refined frequency voice tone. The extended length of the pick-up unit can be adjusted for extra clarity and its anti-pop cover reduces sound disturbance.

Excellent Outputs

All of COUGAR's technological prowess has been poured into the HX330's audio capabilities. Its delicate layered system enhances acoustic performance with exquisite sound in an incredibly small space to bring you the best of the best.

Sound Tuning: Diffuser

Compared to a reflective surface, a diffuser can reduce distinct echos and reverbs in mixed frequency for serving you the nice and clean sounds.

Diffuser in HX330

Irregular surface allows wave energy divides into smaller paths, generates harmonic resonances.

Reflective Surface in Other's

The sound directly rebounding from the surface generates the echo.

Crosstalk Reduction

Through different platforms and communication software, it can be hard to avoid crosstalk from standard electrical 3.5mm phone jacks. However, HX330 is equipped with true fidelity cords with well-shielding and insulation design for reducing the crosstalk signal.

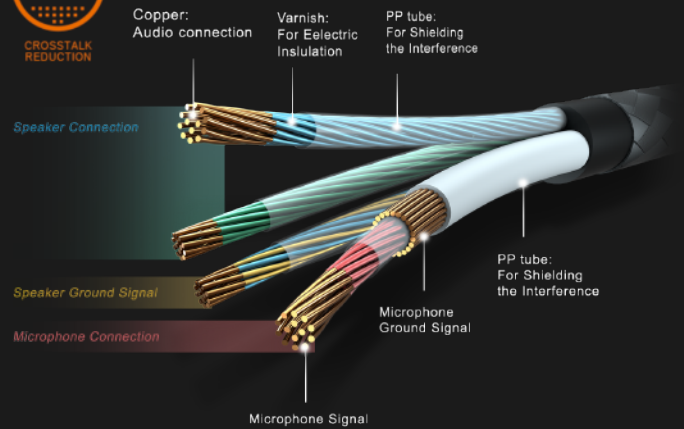

■ Noise: e.g., Gaming Sound Pick-up or Electrical Interference

*Tested under Windows 10, at COUGAR Soundwave Laboratory at COUGAR Soundwave Laboratory, different PC platforms and communication software might yield different results.

CROSSTALK REDUCTION

Features

- 270g Light-Weight Comfort
- 50mm Complex PEK Diaphragm Driver
- 9.7mm Noise Cancellation Microphone
- Reduce Crosstalk Signal Transmission
- 4-pole 3.5mm Connector and 3-pole Y splitter for PC
- Pressure-free Memory Foam on Headband and Earpad

Compatibility

The headset comes with a 4-pole 3.5mm and 3-pole PC adapter that will allow you to use with laptops, phones, and other devices.

Extraordinary Comforts

The HX330 high-density memory foam gives you deep oval-shape earpads and a pressure-free head buffer for those long gaming sessions.

HX330's headband is designed with multiple customized size preferences for fitting every type of gamer.

Specifications Headphone

- Connection : 3.5mm Jack(Analog)
- Drivers : 50mm
- Max. Input Power : 50mw
- Impedance at 1KHz : $32\Omega \pm 10\%$
- Sensitivity at 1KHz : $113\text{dB} \pm 3\text{dB}$
- Frequency Response : 20Hz-20kHz

Microphone

- Type : 9.7mm Noise Cancelling
- Sensitivity at 1KHz : $-50\text{dB} \pm 3\%$
- Frequency : 100Hz to 10KHz
- Impedance : $<2.2\text{K}\Omega$

Packing Data

- Product Number (P/N) (Black / Orange) : 3H250P50B.0001 / 3H250P50O.0001
- Individual Size W/O Packaging Weight (N.Weight) : 315 (g)
- EAN CODE (Black / Orange) : 4710483771255 / 4710483772054
- Individual Packaging Weight (G.Weight) : 543 (g)
- UPC CODE (Black / Orange) : 192554002415 / 192554003122
- Individual Packaging Size (WxHxD, unit. mm) : 214 x 113 x 247 (mm) / 8.42 x 4.44 x 9.72 (in)
- JAN CODE (Black / Orange) : 4541995034848 / 4541995035715
- Master Pack Size (WxHxD, unit. mm) : 590 x 445 x 274 (mm) / 23.22 x 17.51 x 10.8 (in)
