

## DMX Adapter Cable | XLR 3-Pin Male - XLR 5-Pin Female | 0.3 m | Grey

### General information

A DMX adapter cable for connecting devices with different connections, connect your older device to new controllers or new devices on old controllers.

The Nedis® OnStage series exists out of a wide range of the best quality audio connectors and cables. For any situation you can find a complete on-stage audio wiring solution over short and long distance.

Connect instruments, microphones, amplifiers and other devices for (semi) professional musicians for a great sound reproduction.

### Features

- Durable connector for a firm connection
- Highly flexible cable for easy bending
- Ideal for amplifiers, music instruments and microphones
- Latch lock prevents accidental disconnection
