Features

Flavour

- One-touch function for Cafe Cortado, Flat White, Cappuccino, Espresso Macchiato, Latte Macchiato, white coffee
- aromaDouble Shot - Extra strong coffee without compromise in aroma
- Beverage temperature adjustable individually: ,
-

Home Connect

- coffeeWorld: 17 additional international coffee specialties are available in the app - from Australian Flat White to Vienna Melange to Colombian Cortado
- coffeePlaylist: Enter multiple beverage wishes in the app at once, e.g. for visitors; the appliance will then prepare them one after another
- Coffee recipes: The app offers a variety of recipes involving coffee, which can be transferred to the appliance or a Home Connect capable oven - from Espresso Crème brûlée to saddle of venison with coffee crunches
- Coffee know-how: The app includes interesting knowledge around the topic coffee, e.g. bean varieties, harvesting methods or roasting techniques
- Cleaning program: The Home connect app reminds you when an action on the device is required during a cleaning program. This leaves you time for other things.
- User manual: A digital user manual is ready to hand at all times in the app
- Customer service: In case of technical problems, the Siemens customer service is able to access the appliance virtually - if you want so
- Security: Security is of top priority at Home Connect. The Home Connect app has been tested and certified by TÜV IT. And the encrypted data transfer via Home Connect protocol protects against unauthorised access.

Convenience

- TFT display with interactive menu
- : Personal beverage menu for up to 6 persons
-
- Cappuccino: Prepare two cups simultaneously for all coffee varieties
- Removable 2.3 litre water tank
